

Abstract submission

Abstracts should be submitted in English online at:
www.gpts-kongress.de

ABSTRACT DEADLINE: 30 OCTOBER 2022

Abstract topics

BASIC RESEARCH IN PHARMACOLOGY AND TOXICOLOGY

- G-protein coupled receptors
- Receptor tyrosine kinases
- Signal transduction and second messengers
- Nuclear receptors, enzymes and other targets
- Ion channels and membrane transporters
- Drug transport/delivery and metabolism
- Disease models, drug development
- Pharmacokinetics and PK/PD modelling
- Toxins
- Nanomaterials
- Toxicological methods and in vitro toxicology
- Biotransformation and toxicokinetics

APPLIED PHARMACOLOGY AND TOXICOLOGY

- Cardiac pharmacology
- Immunopharmacology / inflammation / anti-infectives
- Cancer pharmacology
- CNS / endocrine pharmacology
- Pharmacogenomics and personalized medicine
- Pharmacoepidemiology and drug safety
- Organ toxicology
- Food toxicology
- Genotoxicity and carcinogenesis
- Toxic compounds

EDUCATION

- Pharmacological education
- Toxicological education

Welcome note

Dear colleagues and friends,

It is our great pleasure to cordially invite you to the 8th German Pharm-Tox Summit, which will be held from March 6–9, 2023 in Ulm. After having this conference for two years as online meeting, we are very much looking forward to meet again in person and see our colleagues and friends!

The GPTS is organized by the German Society for Experimental and Clinical Pharmacology and Toxicology (DGPT) together with the Association for Applied Human Pharmacology (AGAH). The scientific committee is confident that the program with three plenary talks, various symposia including one by the Paul-Martini-Foundation, many short talk and poster sessions will provide exciting insights into cutting edge topics of experimental and clinical pharmacology and toxicology, and foster scientific interactions and collaborations across the borders of our disciplines.

The University of Ulm with its campus Oberer Eselsberg, the conference venue, is amongst the youngest German universities. Together with the Medical Faculty and the University Medical Center, it has a strong focus on life sciences, biotechnology, and biomedical research and is a key player of the regional BioPharma Cluster South Germany.

We are looking forward to meeting you in Ulm!

Prof. Dr. Holger Barth
Congress President & President GT

Prof. Dr. Thomas Wieland
President DGP, President DGPT 2022

Prof. Dr. Ingolf Cascorbi
President DGKliPha

Prof. Dr. Dietmar Trenk
Geschäftsführer DGPT

Dr. Sybille Baumann
President AGAH

General information

Venue

University of Ulm
Helmholtzstraße 16 | 89081 Ulm

Conference website

www.gpts-kongress.de

Hosting societies

Deutsche Gesellschaft für Experimentelle und Klinische Pharmakologie und Toxikologie (DGPT)
Arbeitsgemeinschaft für Angewandte Humanpharmakologie e. V. (AGAH)

Conference chair

Prof. Dr. Holger Barth
Universitätsklinikum Ulm
Institut für Pharmakologie und Toxikologie

Scientific committee

Prof. Dr. Holger Barth (Ulm)
Prof. Dr. Dr. Ingolf Cascorbi (Kiel)
Dr. Christoph Klenk (Zürich)
Dr. Andrea Kliewer (Jena)
Dr. Andreas Kovar (Frankfurt am Main)
Dr. Robert Landsiedel (Ludwigshafen)
Prof. Dr. Renke Maas (Erlangen)
Prof. Dr. Bernhard Rauch (Oldenburg)
Dr. Barbara Schug (Oberursel)
Prof. Dr. Roland Seifert (Hannover)
Prof. Dr. Dietmar Trenk (Bad Krozingen)
Prof. Dr. Thomas Wieland (Mannheim)

Industrial exhibition

Interested companies are invited to request information about the exhibition from Conventus.
